Prima Capital Fund wins Best Specialist Fund of Hedge Fund over \$500m over 3 years at Hedge Fund Review Awards 2015

Fundana SA is pleased to announce that Prima Capital Fund has been awarded the prize for Best Specialist Fund of Hedge Fund over \$500m over 3 years at the Hedge Fund Review Awards 2015, held in London.

The Hedge Funds Review European Fund of Hedge Funds Awards aim to recognise the best funds of hedge funds in Europe. Winners are selected based on a rigorous methodology that combines quantitative and qualitative analysis.

Funds that meet the qualification criteria and have top-quartile returns in their category will be ranked based on returns, Sharpe ratio and downside deviation. The funds with the best aggregate ranking will make the long list of funds in each category that goes before the panel of judges.

“Winning in this category was important for us as it confirms our expertise as specialized managers in the Long / Short Equity space. We are again seeing that this strategy is the first choice for many investors when investing in Hedge Funds” said Dariush Aryeh (CIO Trocadero Asset Management).
